Korean boy band BTS No.1 in US album chart – 30th May, 2018

Level 0

A Korean band got to number one in the U.S. album charts for the first time. The band BTS debuted at No. 1 with their new album. They released it on May 18. It sold 135,000 copies in a week. It is the second top-10 hit for K-pop. The first was also by BTS. The group thanked fans by tweeting: "We will keep doing our best."

BTS started in 2013. They became a big success in Korea, Japan and the USA. They won many new artist awards. They have many followers on social media. They broke the record for the most re-tweeted artist and the world's most tweeted about celebrities. BTS' new album is in Korean, but they sold out tours in the USA.

Level 1

A Korean band got to number one in the U.S. album charts for the first time. The band BTS debuted at No. 1 on the Billboard 200 chart with their album, "Love Yourself: Tear". They released their album on May 18. It sold 135,000 copies in one week. The album is the second top-10 hit for K-pop. The first was also by BTS. The group thanked fans by tweeting: "It's wonderful and very overwhelming. Thank you everyone....We will keep doing our best."

BTS started in 2013. They quickly became a big success in Korea with their debut song. They won several new artist awards. Their popularity spread and they got many fans in Japan and the USA. They have many followers on social media. They broke the record for the most re-tweeted artist. They were also the world's most tweeted about celebrities, with half a billion likes or re-tweets. BTS' new album is mostly in Korean, but they sold out tours in the USA.

Level 2

A Korean band reached number one in the U.S. album charts for the first time. The boy band BTS debuted at No. 1 on the Billboard 200 chart with their new album, "Love Yourself: Tear". The seven-member band released their album on May 18. It sold 135,000 copies in the first week, including CDs and streamed music. The album is the second top-10 hit for K-pop. The first was also an album by BTS. The group thanked their fans by tweeting: "It's wonderful and very overwhelming. Thank you everyone who has listened to our music. We will keep doing our best."

BTS was formed in 2013. The group quickly became a big success in Korea with their debut song. They won several New Artist of the Year awards. Their popularity soon spread and they started to get many fans in Japan and the USA. They have many followers on social media. In March 2016, they broke the record for the most re-tweeted artist. In December 2017, they were the world's most tweeted about celebrities. They got over half a billion likes or re-tweets. BTS' new album is mostly in Korean. Even though there is little English on the album, they have sold out tours in the USA.

Level 3

A South Korean pop act has reached number one in the U.S. album charts for the first time ever. The boy band BTS debuted at No. 1 on the Billboard 200 albums chart with their new album, "Love Yourself: Tear". The seven-member K-pop band released their album on May 18. It sold 135,000 copies in the week ending May 24, including CDs and streamed music. The album is the second top-10 hit for K-pop. The first K-pop entry into the Billboard 200 albums chart was also an album by BTS. The group thanked their fans on social media by tweeting: "It's wonderful and very overwhelming. Thank you everyone who has listened to our music. We will keep doing our best."

BTS was formed by the Big Hit Entertainment company in 2013. The group quickly became a big success in Korea with their debut song "No More Dream". They won several New Artist of the Year awards. Their popularity soon spread overseas and they started to get many fans in Japan and the USA. They have a huge following on social media. In March 2016, they broke the world record for the most re-tweeted artist on Twitter. In December 2017, they were the most tweeted about celebrities on Earth, being liked or re-tweeted over half a billion times. BTS' new album is performed mostly in the Korean language. Even though there is very little English on the album, they have sold out concert tours in the USA.
