THE READING

From <https://breakingnewsenglish.com/1903/190308-kylie-jenner-5.html>

Imagine being a billionaire at the age of 21. Entrepreneur, social media star and model Kylie Jenner has done that. The business magazine 'Forbes' said Ms Jenner is the world's youngest self-made billionaire. She became a billionaire two years younger than Facebook's Mark Zuckerberg. Jenner made most of her fortune from her best-selling cosmetics business, which she started at the age of 15. She started and owns the beauty company. It generates an estimated \$360 million in annual sales. Her company is estimated to be worth around \$900 million.

Kylie Kristen Jenner was born in 1997. She got into business when she was 14. She created a line of clothing for a fashion brand. A year later, she launched her cosmetics line Kylie Lip Kits. This turned into Kylie Cosmetics. 'Time' magazine called her one of the most influential teens in the world. Today, she has successful careers as a model, TV reality star and social media personality. A newspaper she was the most influential celebrity in the fashion industry. Talking about being a billionaire, she said: "That's a nice pat on the back....I didn't expect anything....I work really hard."
